## Education

**INSTITUTE OF ENGINEERING AND TECHNOLOGY, DAVV**

Indore, India

Bachelor's of Engineering (Mechanical) | CGPA : 7.2

2020-2024

**UNIQUE ACADEMY**

Kukshi, India

Senior Secondary (XII) | Percentage : 82

2018-2019

## Experience

**ALIEMA INFOTECH** *React.js Intern*

Oct-Dec 2023

- During my internship, I had the exciting opportunity to lead the development of a captivating React.js landing page. Leveraging my proficiency in React.js and enhancing the visual appeal using Tailwind CSS. I implemented responsive design principles, ensuring a seamless experience across various devices.

**TRONIXTECH IT PVT. LTD** *Frontend Web Developer Intern*

Jan-Mar 2023

- Developed user interfaces for web applications using HTML, CSS, and JavaScript technologies, ensuring a responsive and accessible design. Implemented React and Redux libraries to manage state and enhance user interface functionality, providing a dynamic user experience for the web application.

## Projects

**Ai-Summarizer** [Source Code](#)

[Visit](#)

- Developed a web application that allows users to input a URL and receive a summarized version of the webpage using ChatGPT.
- Utilized ReactJS and Redux to create a responsive and user-friendly interface, with Redux managing the application's state and data flow.

**Food Delivery App** [Source Code](#)

[Visit](#)

- Developed a food cart app using React.js and Redux to provide an intuitive and seamless user experience for ordering food items from a virtual food cart.
- Utilized Firebase API to fetch meals data from a cloud-based database, enabling real-time updates and ensuring seamless synchronization between the backend and frontend.

**Quiz App** [Source Code](#)

[Visit](#)

- The Quiz App, built using React, employs Context API for smooth data handling and seamless navigation, offering users an intuitive interface to engage with diverse quizzes efficiently.

## Technical Skills

- |              |                |                   |                       |
|--------------|----------------|-------------------|-----------------------|
| • HTML       | • React-Router | • Node.js         | • C++                 |
| • CSS        | • React Query  | • Express.js      | • Data Structure      |
